ADMINISTRATIVE FEE for the admission procedures: **70 €**

TUITION FEE for one academic year (education in the English language): **9000 €**

SUBJECTS OF ENTRANCE EXAMINATION:

BIOLOGY (80 questions), CHEMISTRY (80 questions) – within secondary grammar school curriculum scope.

The entrance examination is written in the form of a test in English, with the total of 160 questions. The time provided for elaboration is 150 minutes. The maximum score is 640 points. The entrance examination content is identical with the entrance examination content for the study programme of general medicine in the Slovak language.

ADMISSION REQUIREMENTS FOR FULL TIME STUDY
(education in the English language):

- successful completion of entire secondary education or entire secondary vocational education,
- successful completion of the entrance examination,
- meeting the prescribed health criteria related to practice the medical profession as a doctor.

Only applicant who has registered online (e-application), submitted a properly filled in and signed application form together with the required documents and paid the fee for the admission procedures by the set deadline is invited to the entrance examination.

ENTRANCE EXAMINATION RESULTS EVALUATION:

Each applicant draws his/her own code under which the tests are evaluated. The computer allocates numbers of points and ranking of applicants. The results are published on the university and faculty website. The criterion for admission is the number of points obtained in the written test.
